(Christchurch Replacement District Plan)

Order 2014

AND

IN THE MATTER OF the proposal for the re-zoning of

112 Waimairi Road

Date:

3 October 2016

MINUTE

- On 30 September the University of Canterbury, through their solicitors, filed a memorandum withdrawing their submission to have 112 Waimairi Road rezoned from Residential Suburban Density Zone (RSDT) to Specific Purpose (Tertiary Education) Zone (SPTE).
- This followed our direction for the Council to notify the University's application and arrange a hearing for 6 October.
- As a consequence, we cancel the hearing on 6 October, and reaffirm 112 Waimairi Road [3] as RSDT.
